

Set a Travel Notification

To set a travel notification:

1. On the **Transactions** screen, tap **MORE** on the bottom menu bar and then tap **TRAVEL NOTIFICATIONS**.
2. Tap the **Calendar** icons to select a **DEPARTURE DATE** and a **RETURN DATE**.
3. Tap the appropriate button to select either **Traveling Domestically** or **Traveling Internationally**.
4. Tap **Enter your destination** to type the “travel to” location.
5. Tap the **SUBMIT** button.
6. Tap the **OK** button on the **Success** pop-up window. This displays the travel itinerary.

Delete a Travel Notification

If the cardholder cancels their trip, they can click the **DELETE** button on their travel itinerary to remove the travel notification.
